

is an NDIS Approved Provider

Are you NDIS Ready? We can help!

On Track Therapy Group is a specialised & experienced multidisciplinary team comprising of psychologists, speech pathologists, occupational therapists and education consultants. We are dedicated to offering the highest quality assessments, interventions, therapies & support groups for children and their families.

Specialist services are provided for children & adolescents with:

- Autism Spectrum Conditions
- Developmental and intellectual delays
- Social, emotional and behavioural problems (including ADHD, ODD and conduct disorders)
- Speech and language disorders
- Motor planning
- Other childhood disabilities

We can also assist families with being NDIS ready, including:

- Report writing
- Reviewing existing assessments
- Goal setting
- Discussing NDIS funding options
- Planning
- Case Management
- Attending meetings and advocating
- Planning for and understanding the use of resources in therapy
- Evaluation and implementation of relevant strategies and supports
